- Bond
Maintenance and Operation (M&O) Override
District Additional Assistance
Lease/Sale/Exchange
Other

Submit your 200-word argument in the box below.

Dear Community Members,
The Casa Grande Chamber of Commerce has encouraged our members to vote "YES" for the elementary and high school propositions. Our region is a "hotbed" of activity, with thousands of new jobs coming to our community to support the growth of our Industrial Park. A strong coalition of business, government, and education leaders is working to ensure our schools provide the highly qualified employees our companies need to stay competitive in today's economy. These leadership committees collaborated in planning the elementary's new COIL School and the high school's new PACE School. These innovative workforce development schools will be designed to educate students to work and lead in 21st Century Companies.
A key attribute of flourishing companies is a powerful partnership with schools, so both grow as education is the lifeline of longevity for businesses and communities.
Please join our Chamber members in investing in our public education system to ensure that our local industries are well-positioned to be the global leaders in producing quality products. This investment is a continuation of current taxing levels and will not be an increase for property owners. Vote "YES" for our schools and workforce development.
Casa Grande Chamber of Commerce
